

Fibre Bung Insert for 7/8" Clamps

GCA Ltd designed a fibre bung rubber insert for fibre & data cables.

- The Fibre Bung is designed to be inserted into a 7/8" feeder clamp (2P-DW5-7/8" or 2P-4BW28-10mm - as pictured).
- If used with the 2P-4BW28-10mm, it can hold 8 x 5.4mm fibre cables and 6 x 10mm DC power cables.
- It has a flanged top so it can be installed into pre-existing feeder clamps on site.

Material: Rubber

Colour: Black

Cleat & Bung Reference.	Clamp Hole Size	Hole Dia	Pack Qty	Box Qty
Fibre Bung	7/8" (28mm)	4 x 5.4, 2 x 10mm	25	500
4BW27-FB	2 x 7/8" (2 x 28mm)	8 x 5.4, 6 x 10mm	25	400
