

## Marker Ties

Marker Ties provide a quick and effective method of securing and marking bundles of cables. They can also be used for component marking and pipe identification. Marking can be made with the Marker Pen. Marker ties are available in natural colour.

Marker Ties: 100 Piece Packs					
Part Number	Length (mm)	Width (mm)	Maximum Bundle Diameter (mm)	Minimum Tensile Strength (KG)	Marking Area (mm)
MAR100F	100	2.5	18	8	25 x 8
MAR110F	110	2.5	50	8	25 x 8
MAR200W	200	4.6	50	22	28 x 13
